

Personal Overview:

David Jones is enterprising, creative, self-motivated, and versatile; with a colorful ballet of experiences in the media, technology, design, manufacturing, and sales industry to back him up. As an Artist and Media Producer, David combines natural creativity and practical use of brain power to compose art, music, and motion pictures bursting with depth and positive energy by creating powerful mediums. David's creativity has been used to design and create a variety of graphics, motifs, sets, backdrops, video and sound compilations, and a mixture of pleasantries using paints, fabrics, metals, wood and A/V interfaces.
